

I want to add another warm welcome to all that are here today to honor special agent Jaime Zapata and his family. I believe it is most fitting to rename Hwy 48 boat ramp for Special Agent Jaime Jorge Zapata. He was a courageous and noble young man and a tribute of renaming this boat ramp for him is most deserving. He is and will always be a hero in our community. My late husband Pete Benavides worked hard to develop the Hwy 48 boat ramp and I know he is looking down from heaven today very pleased that we are honoring Special Agent Zapata. May he rest in peace and never be forgotten. My condolence to his family. These beautiful flowers are for his loving and wonderful mother, God bless you and may God Bless America.
