

Hello, I'm Sofia Benavides. It has been an honor and a privilege to serve you as your County Commissioner.

We have accomplished many things during the past 4 years such as better and improved roads, the highway 48 Boat Ramp improvements, and community outreach programs including Health & Passport Fairs, Exercise Programs, and community gardens.

We have also made further developments in our parks, as well as keeping our beaches clean, and dune nourishment programs.

I am Sofia Benavides, and I want to continue to be your County Commissioner.
